NOTICE TO APPLICANTS:

CRIMINAL INVESTIGATION

It is the policy of Middle River Regional Jail to request criminal and driving records (for certain positions) on applicants during the screening process. Officers must be eligible for a Virginia Operators License and remain eligible in order to work for the Middle River Regional Jail.

Applicants with criminal or traffic convictions may be rejected for employment where there is a demonstrable relationship to the job for which the applicant is applying. The Middle River Regional Jail will consider the nature, gravity, and time of the offence rather than automatically excluding applicants solely on the basis of a conviction. Arrest records will have no bearing on the selection process; however, an applicant may be required to provide additional information before being allowed to continue in the selection process.

If, when requested, you do not sign the "Criminal History" or "Motor Violation Record Request" form, you will not be considered for employment.

For applicants for positions at the Middle River Regional Jail

Applicants for positions at the Middle River Regional Jail will be required to submit fingerprints for an FBI criminal history records check. In addition, a Financial Report may be required.

Have you ever been convicted of any felony, any crime involving moral turpitude, or any offence involving the sexual molestation, physical or sexual abuse or rape of a child? YES NO

If Yes, describe in full:
