They are averaging ten hours a week and in all areas inmate health care numbers have risen. They are also providing a female clinic once a month which has not been offered in the past. Staff will be meeting with RCHC regularly to ensure that the appropriate services are being provided to the inmate population.

Mr. Bell will have cost estimates and further projections prepared for the Board to review at that time. Members are available and a meeting will be held on November 19, 2019 at 2:00 p.m. at the Augusta County Government Center South Board Room.
